### MEETINGS:

June 2, 2022      Golf Outing, Forest Akers

Dear MRG Colleagues,

The annual Michigan Rubber Group Golf Outing is on the calendar! The date is currently set for **Thursday, June 2, 2022**. We are returning to Forest Akers Golf Club at Michigan State University in Lansing, MI once again. Please add the date to your calendar and plan on joining us for a great day in central Michigan!

Venue Address:

Forest Akers West Golf Course

3535 Forest Rd.

Lansing, MI 48910

(517) 355-1635

Club House located behind the Candlewood Suites Hotel

Golf: Arrangements have been made to play the Forest Akers West Course. As usual, plan on a shotgun start at 9:00AM; at your golf cart by 8:45AM. Registration will be 7:30-8:30AM at the Golf Club. The event will be a scramble format. Full cost details will be provided once lunch service arrangements have been finalized.

Accommodations: Candlewood Suites Hotel is conveniently located on-site and **we have blocked 10 rooms, available until 1 May 2022**. Room rates are \$89 for a studio and \$109 for one bedroom. You may call (517-351-8181) and book with a front desk agent or use the link [MI Rubber Group Golf Outing](#), supplied in your e-mail to complete the process online.

Included: We are offering a full gathering lunch service again this year, but will need to confirm availability as we get closer to June 2<sup>nd</sup>. Otherwise, a box lunch will be provided, like the last two years. Additionally, there will be prizes for the skill holes and each participant will receive a keepsake that you didn't know you needed!

Corporate Donations: Corporate sponsors help offset expenses and are always appreciated!

Hole Sponsorship: If you want to sponsor a hole, a \$75 fee will get your company sign placed at a tee box. Please share your corporate logo with Tim Dickerson.

Membership: We encourage membership and dutifully ask that one person from each foursome be a MRG delegate in good standing. Annual dues are \$15.00 per member. Please include your dues with this registration if you are not a current MRG member.

Thank you,

Tim Dickerson
