Rubber Technology Training Award Application Page 2

Deadline: July 31st

1. Michigan Rubber Group, Subdivision of the Rubber Division, ACS requires one (1) regular mail package containing the application and two nomination letters be mailed and postmarked no later than July 31st.

2. Award winners receive a one-time stipend of up to \$1,500 for the year they are selected to cover their travel, hotel and food costs while attending a Rubber Division, ACS Spring Technical Meeting or Fall International Elastomer Conference. Eligible expenses are On-Site Classes, Seminars and Workshops, Technical Meetings and Science & Technology Awards Banquet. The cost of up to \$1,500 will be paid by Michigan Rubber Group to Rubber Division, ACS on behalf of the winner. If for any reason an award winner cannot attend a meeting the year they are selected, they are eligible to take the Rubber Division's online courses: Basic, Intermediate and/or Advanced Rubber Technology that same year at a cost of up to \$1,500.

3. Previous applicants, including previous winners, may reapply each year.

4. Technicians and production personnel are eligible for this award and are not required to be members of Rubber Division, ACS, nor are they required to be members of Michigan Rubber Group.

5. Candidates are chosen on length of employment in the rubber industry, academic achievement, strength of the nominating letters and other supporting documentation.

6. No award winner will be an immediate family member of anyone involved in the administration of the Rubber Technology Training Award or the selection of its winners.

7. The winner will be introduced to attendees of the Michigan Rubber Group September Technical Meeting.

8. Identify organizations in which you are or have been a member. Include organization, year(s) and office(s) held:

9. If you believe you have overcome significant obstacles or hardships (including, but not limited to, health problems), or if there are unusual circumstances you would like the committee to know about, you are invited to tell us about that here. This may assist in the selection process.
